Dear *Colleagues* and *Friends*,

This tribute book gratefully acknowledges the generous contributions made to The Actors Fund in 2005 and 2006 to honor friends and special events in our donors' lives or to memorialize loved ones or colleagues who have passed on but who are still with us in spirit.

The long tradition of providing these kinds of gifts allows us to commemorate the many lives that have made the entertainment world an important part of the fabric of our society.

All gifts "In Honor Of" or "In Memory Of" are used to further the mission of The Fund by helping us provide the essential services so needed by entertainment professionals across the country.

We hope you will honor and fondly remember those honored here.

Sincerely,

Brian Stokes Mitchell
President

Joseph P. Benincasa
Executive Director

The Actors Fund is proud to honor, in this Tribute Book, five very special Trustees.

Thomas J. Dillon was born in Brooklyn on September 3, 1918. Tom Dillon had a long and distinguished career in show business, and his clear Irish tenor made him a favorite in radio, film and television, as well as on stage. The former boy soprano was first heard on radio at age 18 on WNYC. During World War II he appeared in Moss Hart's *Winged Victory*. During *Winged Victory*, Mr. Dillon was married to the former Alice Parker. Their marriage lasted for 61 years, until Tom's death.

Mr. Dillon's 13-year act with comedian Bert Wheeler was among America's most popular duos, and their gigs included the "Ed Sullivan Show" and *The White House*. Mr. Dillon's celebrated singing career also included performances at the Miss America Pageant and at Carnegie Hall.

His dazzling tenor voice won admirers in Broadway and stock productions of *Ziegfeld Follies* and *The Wonderful World of Burlesque*, and on the television programs of Milton Berle, Victor Borge, Perry Como, Imogene Coca, Kate Smith, and Martha Raye. In addition to *Winged Victory*, his film credits included *Slaughterhouse Five*, *The Two Mrs. Grenvilles*, *Anastasia* and *Family Business*.

Mr. Dillon was Shepherd of the Lambs Club, the oldest theatrical club in the country, for 17 years, and subsequently served as Shepherd Emeritus. And Tom was President of The Actors Fund for 15 years, from 1989 to 2004. His tenure made him one of the longest-serving Presidents in The Fund's 125-year history, and he stewarded the organization through a period of significant growth and accomplishment.

Kitty Carlisle Hart

(1910 - 2007)

Born Catherine Conn in New Orleans, Louisiana, Kitty Carlisle Hart's early education took place in New Orleans and also in Europe. When she returned to the United States she landed in New York and first appeared on Broadway, billed as "Kitty Carlisle", performing in operettas, musicals and in the American premiere of Benjamin Britten's *The Rape of Lucretia*.

Hart's most widely known film appearance was in *A Night at the Opera* with The Marx Brothers in 1935, although she did several other films, including two with Bing Crosby – *She Loves Me Not* in 1934 and *Here Is My Heart* in 1934.

She was married to playwright-producer Moss Hart in 1946, a successful marriage that produced two children and lasted until Moss's death in 1961.

Kitty became a household name as a panelist on the long running television game show *To Tell the Truth*, which ran from 1957 through 1978, as well as in revivals of the show in 1980, 1990, 1991 and 2000. During this time she also made her debut at the Metropolitan Opera in *Die Fledermaus* as Prince Orlofsky.

Hart used her prominent celebrity and social status to become a tireless crusader for financial support of the arts and became the arts' greatest champion as the Chair of the New York State Council of the Arts, serving several Governors in that capacity from 1976 to 1996.

Later in life she returned to performing, replacing Dina Merrill in the Broadway production of *On Your Toes*, appearing in Woody Allen's film *Radio Days*, and doing her own cabaret act at Feinstein's in New York and other venues across the country. Kitty joined The Actors Fund's Board of Trustees in 1991 and served faithfully, moving onto the Fund's Council of Advisors in 2005. She was a great lady who was universally admired by everyone who came into contact with her.

Barnard Hughes was born in Bedford Hills, New York on July 16, 1915. In his early years he held jobs as dock checker in New York Harbor, a Macy's salesman and a Wall Street copyreader before auditioning for the stage on a dare from a friend. His career began in 1934 with one line in *The Taming of the Shrew*.

His Broadway debut came in 1935 in *Herself Mrs. Patrick Campbell*. He continued to work in the theatre until he joined the Army in 1942. He resumed his career in 1945 and, while performing in a veteran's hospital show, he met actress Helen Stenborg, who became his wife of 56 years.

Barney is best remembered for his signature performance as the curmudgeonly father haunting the memory of his playwright son in Hugh Leonard's 1978 Tony Award winning play *Da*. He won both a Tony Award and a Drama Desk Award for his performance and recreated the role in the 1988 film.

In 1992 he was awarded an honorary doctorate from Manhattan College, the school he'd dropped out of to become an actor. Aside from his illustrious career in film, television and on the stage, he made a substantial contribution to his profession by energetically leading the Episcopal Actors Guild for more than a decade as its President, as well as serving devotedly on the Board of Trustees of The Actors Fund from 1991 until 2004, when he joined the National Board of Advisors.

Patrick Quinn

(1950 - 2006)

Patrick Quinn was a native Philadelphian and graduate of Temple University. He started his professional career in 1970 and made his Broadway debut in the 1976 revival of *Fiddler on the Roof* starring Zero Mostel. Patrick's career encompassed film, television and of course his first love – the stage. Appearing in ten Broadway productions, multiple talents allowed him to play a diverse range of characters in such shows as *The Sound of Music*, *Beauty and the Beast*, *Damn Yankees*, *Lend Me A Tenor* and *The Sound of Music*.

A talented, versatile actor, Patrick was also a caring, charismatic leader. He joined the Council of Actors' Equity Association in 1977 and served in numerous leadership positions before being elected President in 2000. His leadership was critical in the aftermath of September 11, 2001 when he worked closely with the League of American Theatres and Producers and the other theatrical unions to stabilize the industry and promote tourism in that time of crisis.

He served as a three term President of AEA and was thrilled to be appointed Equity's Executive Director just before his untimely death from a coronary on Sunday, September 24th, 2006. A trustee of The Fund and co-chair of The Actors Fund's Human Services Committee, Patrick was a founding member of Equity Fights AIDS and served as Second Vice President of Broadway Cares/Equity Fights AIDS since 1992. The lights of Broadway were dimmed two days after Patrick's death in tribute, and his memory will be cherished by all who knew him.

A native of Chicago, Eddie Weston's first Actors' Equity job was in the production of George Abbott's *Best Foot Forward*. While continuing to perform on Broadway Eddie was elected to the Chorus Equity Executive Committee in 1951. He was then elected to the Equity Council as Second Vice President and Treasurer. In 1968 he joined the Equity staff as Assistant Executive Secretary for the Western Region, served as acting Executive Director of the Association from 1972 to 1973, and then served for 23 years as Equity's West Coast Executive, retiring in 1991.

Throughout his life, Eddie championed the cause of dancers and all performers. He helped found Career Transition for Dancers and served as its first Chairman.

After his retirement from Equity, he remained true to his calling of bettering the lives of those in the profession he so deeply loved by joining the Board of Trustees of The Actors Fund in 1994. During his tenure he championed the creation and development of the Palm View residence in West Hollywood and, as chair of the Housing Committee, framed the approach to developing more supportive housing around the country, including Schermerhorn House - currently under construction in Brooklyn.

Eddie's legacy survives in the incredible efforts he made for performers everywhere. The numerous lives he touched during his lifetime and the organizations he served will continue to assist performers, thanks to his hard work and determination.
